1. Saves you time.

Qualifying contractors can be a nightmare. By the time you find out that the fix does not hold, the company is out of business. Convenience. We have a complete network of qualified technicians. Honey do lists get done quickly and without significant expense or need for dialogue.

2. Saves you money.

A general plumber will charge an hourly rate of \$95-\$105 v. our plumbing rate of \$55. A general handyman will charge an hourly rate of \$65 v. our general handyman of \$45.

3. Gives you complete accounting of annual property expenses.

Ever wonder how much you are spending on the repair of your property?

4. Keeps you focused.

Learning how to fix toilets and faucets requires time to learn. This skill may only be required once every 5 or 10 years. Give your punch list to an expert for an average of \$45/hr so that you can keep focused on becoming better at what you do now.

Remember, transitions, learning curves, new experiences can be good, but can cost you time and money. Are you going to do this for the long haul? If not, focus on what you plan to do and become an expert at it.

5. Keeps your property in excellent condition and keeps you healthy.

Keeping up with seasonal maintenance or preventative maintenance tasks can be a hassle. Let us put your property on a schedule. Fireplace, A/C, Furnace, carpet clean, air duct cleaning. Carpet cleaning as a health benefit.

Green Properties have the inside of their unit retrofitted with high efficiency long term products. These products may cost a bit more upfront, but save money and resource over the long run.
